This may also include an amount to cover a security bond / deposit for damages. The pre-authorized amount is set aside by the credit card company for a period of up to 14 days. The pre-authorization will affect your available funds balance or spending limit. For more information on this practice we suggest the cardholder contact their card issuer. Once a pre-authorization has been made, we cannot release, remove or lower the authorized amount, until we process the final account on departure. This is a restriction placed on us by the bank, and cannot be negotiated.
